Dear Friends:

Thanks a million for the marvelous book: "Gates of Splendor". And for your inscription on the flyleaf. We prize it greatly and it shall be the volume that we keep at home in plain site. I have ordered another volume with five subs. 13-weeks Sunday School Times (as a premium) to lend, and will be getting yet another for this purpose, as we have many friends and relatives whom we wish to introduce to it. Lit and I have already read several chapters together as we get the chance. It is so well written and simply thrilling in its witness. [Text typed above previous sentence: The illustrations are breathtaking.] Dr. Dendy ordered five volumes and before they arrived the Journal had orders for seven, so he immediately dispatched a larger order for more. I am confident this book will be declared "The Book of the Year", and will have wide (world-wide circulation).
