311 22nd St – Until Oct. 30

Dear brother Grady,

Many thanks for your letter written the 6th. I surely appreciate your consideration and am grateful to the Lord for the service of MAF. Enclosed is a check for \$120.00 – more or less a down payment on the unit; when known please let me know the balance.

Since writing in September, our plans have changed somewhat – at least we think they have. It looks like it will be more convenient to sail from New York – and cheaper too. We don't have any positive word since we are waiting to get a final word from the Isbrandtsen Line – as to whether our 6 mo. old son will be allowed to go their cargo ship – which sails from New York. We are in the New York area just now (until October 30th) having services – and are trying to get this cleared up – so we should know for sure by the end of the month. I guess that will be time enough to let you know just where to send it. By the way, my home address is 2110 Swan Blvd., Wauwatosa, Wisconsin. I can always be contacted by writing...

...there; however, I will be at 311 22nd St. Union City, New Jersey until October 30th.

Concerning the batteries – do you have a line on any place in the New York area where they could be purchased at a similar price?

We have heard from Jim Elliot and others who are working in the Oriente about the service and fellowship of the MAFers. It is really appreciated. We are looking forward to the work in Ecuador – and trust the [sic] God has a plan for us to fill there in the Oriente making the Gospel known.

Many thanks again.

Prayerfully,

Ed McCully
